State of Missouri ITSD AT-A-Glance

Today, technology is the
backbone that supports every
major social and economic
program in the State of
Missouri.

Our technicians are a vital part
of keeping children safe from
abuse, helping businesses

develop and thrive, and
providing quality education
from kindergarten to college.

If you are seeking a career
where your work truly
matters then we invite you to
explore the numerous
available positions building

the systems that serve the
public good.

Our environment will not
only challenge you, but you
will have an immediate
opportunity to make a
difference!

2010 National Survey finds Missouri among Top Technology-Savvy State Governments

*Missouri uses technology to make
government smarter, more efficient*
